FAQs

Is there a maximum amount of friends/cabins that a Sailor can refer?

Yes. Sailors can refer up to 16 cabins.

Do we all have to sail on the same voyage/date?

Yes. The Sailor and their referrals will need to sail on the same voyage date to take advantage of this offer.

Is this offer only for new bookings?

No, this offer can be applied to existing bookings on the same voyage date.

How can a Sailor share their link?

Sailors can share their unique link directly via email or social media.

Can First Mates utilize the referral tools?

Yes. First Mates are able to link bookings. If the Sailor books online themselves and wishes to add the First Mate to their booking, they will need to call Sailor Services and have the booking transferred to the First Mate's agency, within the booking transfer policy.

If a Sailor doesn't use all of their Sailor Loot, can they give it to their mates/friends?

Our Sailor Loot offering is non-transferable and becomes use-it-or-lose-it once on board. Any remaining Sailor Loot will not be returned/paid out at, as it expires at the end of your voyage.

My Sailor is booked in a Circle, can they take advantage of this offer?

No. This program is not combinable with our Circle offers.

Can a Sailor invite an already booked Sailor through Sail With Friends?

Yes. You can link existing bookings in the booking engine of FirstMates.com or our Sailor Services Crew will be able to hook you up.

My Sailor is getting more Sailor Loot with Sail With Friends than with Circles. Why should they book a Circle?

While Circles receive a set Sailor Loot amount, there are also additional benefits for booking a Circle - such as complimentary cabins (or bonus commission for First Mates).

My Sailor didn't receive the email with their unique link. Is there a way for it to be re-sent to them?

Sailors will be able to access their unique link by logging into their Sailor account on virginvoyages.com.

Does the Primary Sailor on a Booking have to be the one to process the referral for a voyage to get the additional Loot?

The Sailor Loot will always be applied to the primary Sailor (Sailor #1) on the booking.

What happens if VV cancels the booking, do they have the opportunity to transfer the SWF referral code?

If Virgin Voyages cancels the booking, both referral bookings will automatically be cancelled. When the Sailor makes a new booking, they'll get a new referral link.
